Release of personal information

By providing my signature on page 6 of this form, I authorize my physician(s), healthcare provider(s), health insurance company, and my pharmacy to disclose information about me (for example, my name, address, and insurance policy number) and my medical condition (for example, my diagnosis or medications) to Daiichi Sankyo and its third-party vendors, suppliers, and other service providers supporting Daiichi Sankyo AccessCentral4U (herein described collectively as "service providers").

I authorize my specialty pharmacy and other service providers supporting Daiichi Sankyo AccessCentral4U to share information about me with each other. I recognize that this type of personally identifiable information (PII) could include spoken or written facts about my health or healthcare or copies of records about my health and insurance benefits provided by my healthcare provider(s) or health plan. My decision to sign this form (or to not sign this form) will not affect the treatment I receive from any healthcare professional or entity involved in my care or coverage.

8 PATIENT CONSENT (continued)

In some instances, the service providers may de-identify my information and use or disclose the de-identified information (in individual or aggregated form) for any legitimate business purposes. I understand that the service providers will make reasonable efforts to keep my information private; however, I understand that once my information has been disclosed to the service providers, how the service providers further disclose my information may no longer be protected under federal and state privacy laws.
I understand that Daiichi Sankyo AccessCentral4U is a component of Daiichi Sankyo and that the service providers may be compensated by Daiichi Sankyo. My healthcare providers and my pharmacy may also receive remuneration, or payment, for disclosing my information pursuant to this consent.

By doing so, I revoke my consent for my healthcare provider to disclose my health information to Daiichi Sankyo or its service providers as well as discontinue my participation in the support program. I recognize that revoking my consent will not affect the use or the disclosure of health information that was already disclosed before my cancellation.
I confirm that I have received a copy of this consent, and I know I have a right to see or copy the information my healthcare providers or payers have given to the service providers.

Additional information to assess eligibility for the Patient Assistance Program

I agree to allow Daiichi Sankyo and its associated service providers to use my demographic information, including but not limited to my name, date of birth, and/or address as needed to access my credit information and information derived from public and other sources. This includes information from a consumer reporting agency (credit bureau) to estimate my income in conjunction with the eligibility determination process performed to determine my eligibility under the Patient Assistance Program.
